Bruce,

I'm in receipt of your July 20th letter. As a park ranger you should be aware that during this time of the year, headquarters staff is fully engaged in year end closing procedures. Linda is already working additional hours to meet year end closing deadlines and reporting requirements, along with new requirements mandated under the ARRA. As her supervisor, I will not redirect Linda to respond to requests for information that are not required for the performance of your duties as a park ranger. Once the year end closing process is completed, your request for information will be addressed.

If you would like to meet to discuss this further, please work through your division chief, Tessy Shirakawa to schedule an appointment.

Bill
