Linda Lanier
Mesa Verde National Park
PO Box 8
Mesa Verde National Park, CO 81330

Dear Linda:

I would like to examine either the hard copy versions or have access to the electronic, digital versions of the **Mesa Verde National Park FY 2007** and **Mesa Verde National Park FY 2008** financial statements---particularly those pertaining to and detailing expenditures.

I have seen the "2008 Superintendent's Annual Report" which is now in the Research Library. Consequently, I have seen and perused the funding sources listed in the "Budget and Finance" section. Obviously, this provides information only about the funding sources, not the expenditures.

Also, is there a "2007 Superintendent's Annual Report" available? There was none in the Research Library and I would like to read a copy of it too. I suspect it will have only a listing of the funding sources, and that is why I am also asking for information pertaining to and detailing the expenditures in 2007.

I look forward to hearing from you. In addition to writing me at my post office address, you can contact me through the regular park mail (as a seasonal ranger I have a mailbox in the Museum basement), or leave messages on my home phone which is 970-529-4024.

Looking ahead,

Bruce Schundler
